

Springbank Hill Community Association Advertising Proposal

Hello,

On behalf of the Springbank Hill Community Association, I would like to offer your company an advertising opportunity at our new outdoor skating rink at the end of St. Moritz Drive, West Calgary.

The opportunity

Securing advertising space will be on a first come first serve basis. The picture below depicts our boards on the South facing side of the rink. We also have the same boards on the North facing side of the rink. The puckboards are 8' x 4' and will accommodate a 4' wide x 2' high advertising sign. Below please find a picture of the South facing board, with advertising spots 1, 2, 3 and 4 identified. Advertising spots 5, 6, 7 and 8 are on the North facing boards.

The cost of securing 1 of the 8 boards is:

- \$300.00 for the 2020 – 2021 hockey season (December through March); or
- \$500.00 for 2 years (2020-2021 season + 2021 – 2022 season).

Signage must be adhesive vinyl and be no more than 4' wide x 2' high. Your company will be responsible for printing/purchasing the signage. Digital Post West Spring (403-249-4910) is offering to print your sign (full colour) for \$85.00 before tax.

If you are interested

We would love to have your company advertising on our community skating rink. If you are interested in securing a space, please contact Shelly Smith at shellysmithyyc@gmail.com. We look forward to hearing from you.

Money raised from selling this advertising space will go towards initiatives in our community, like this skating rink.

Regards,

Elio Cozzi
President, Springbank Hill Community Association
